3. All shlumpet<sup>3</sup> folk living under the overpass must submit to fecal examinations, the COVID is DANGEROUS! Please have your fecal samples ready ...
4. THE COVID<sup>4</sup> HAS BEEN SPOTTED NEAR BROAD STREET AND GIMBOTTE AVENUE ... THE COVID IS TALL ... VERY TALL ... 30 FEET TALL ... ARMED WITH MACHINE GUNS AND LASER BEAM EYES!
5. Phone booth Jesus is available to hear your confession between 9 and 11 on every other Wednesday.
6. Slurry prices have been cut in half - try the new flavor, "city beef"! Orange flavored slurry has been canceled - too many bloody anus explosions!
7. Contact tracers have the authority to steal your children. Contact tracers will take you from your home. Contact tracers will make you submit to illegal medical procedures. KILL CONTACT TRACERS ON SIGHT!
8. Those wanting extra life-credits can turn their elderly parents in for protein processing at one of 3 convenient locations in the Seattle area ... be sure to get your coupons for free tacos at Taco Time ... Every Tuesday is "meat Tuesday" ... as long as you keep turning in grandpa and grandma for the harvest.

1 Crimbly: the shambles of humanity, clad in pain and drudgery.

2 Bunkit is a parasite that lays eggs in the sewer raccoons and can be harvested from their intestines.

3 Shlumpet folk: the people who make their lives around the ecosystem of CHEVRON gas stations.

4 COVID: a beast with 5 horns, 8 mouths, 19 tentacles and 56 eyes ... powerful enough to crash human civilization.
