

Dear Reader,

My name is Daniel John Sullivan, and I am the owner of this website, PLANETARYSTATUSREPORT.COM, until I am not.

When I first went online 12 years ago, my first blog, Dendritica.com, was hosted by **GoDaddy.com**, and for a few years their service was “good enough”, that I stayed with them. By 2016, I had so many problems, the “website” ranked kind of low ... even though the “bad service” really began about the time my online presence began to grow.

When I kicked off my website again in 2018, my hope was if I “keep the site simple” (basic PHP), it will load fast, provide the content - which was the main goal. At first, this assumption was true ... then, after the “monkey herpes” (covid) PSYOP began, my site’s performance, in terms of page load time, took a nosedive. But, during 2020/2021 most of us had more important priorities: like physical and psychological survival. My website seemed irrelevant: btw, it still is low-rent “2019” nonsense ... we all have more important concerns now ...

In November 2021, **GoDaddy** ripped me off ... took my fees, my site, my intellectual property ... and why? Because after MONTHS of “site down” and glacially slow load times, I got angry ...

The **GoDaddy** tech support app has no means of protecting its tech support. You could make the argument that this kind of chat app MIGHT be appropriate for sales ... but for tech support, it is a disservice to actual customers AND the tech support team. So I got pissed off after hearing the 3rd or 4th sleepy eyed (I could tell over the phone) tech support person, that knew nothing, and parroted nonsense.

This is a REALLY LONG WINDED WAY of saying that from my perspective, the following are true:

1. There is NO rule of law at the moment. No lawyer would ever take my case against **GoDaddy**.
2. If “Freedom of Speech” were ever a thing in the USA? - it is not any longer.
3. I have simply wanted to express myself ... when the PSYOP nonsense began, at full speed, in 2020? - I realized that certain voices would be removed, silenced, marginalized.

So when I say I own planetarystatusreport.com “until I don’t”? - it’s really quite simple: we live in a society of the unprincipled tyrants, the sociopaths, and the toadies that serve them. I “own” this website until some arbitrary bullshit comes along, and then I am once again a digital refugee ...

Please don’t email me about some “site” or “token based” thingy you think would help: been there, done that, life is too fucking short - I’d rather be up in the woods.

PER USAGE:

ALL OF THE INTELLECTUAL PROPERTY ON THIS SITE IS MINE, OR IS JOINTLY OWNED BY OTHERS AS PER AN AUTHOR'S SIGNATURE OR SOME JOINT PODCAST. I AM AN ANARCHIST, SO I DON'T THINK "PATENT LAW" OR "INTELLECTUAL PROPERTY" ARE MEANINGFUL OR CONSTRUCTIVE FOR ME.

HERE'S WHAT I WANT YOU TO DO:

A) USE THESE MATERIALS WITH HUMAN RESPECT.

B) IF YOU HAPPEN TO MAKE SOME MONEY OFF OF MY CREATIVE WORK? - THEN AS A MATTER OF HONOR DONATE SOME PORTION BACK ... IF YOU HAVE THAT MONEY TO DO SO. DONATE BACK WHAT IS REASONABLE, AND THIS IS NOT A FORMULA - THIS IS BASED ON REALITY, KINDNESS, PEACE AND FREEDOM.

C) IF YOU DO USE MY STUFF, TRY TO ATTRIBUTE IT IN SUCH A WAY THAT A PERSON ON THE WWW WOULD GET A LINK BACK TO THIS SITE ... AS LONG AS THIS SITE EXISTS.

D) IF YOU WANT TO DOWNLOAD ALL MY PDFs, VIDEOS, PODCASTS? - THAT'S COOL. THAT'S PROBABLY THE ONLY WAY STUFF WON'T GET PERMANENTLY DESTROYED.

E) THIS IS A GOOD MINIMAL ATTRIBUTION OR CREATIVE OWNERSHIP BLURB YOU CAN USE:

From the works of Daniel John Sullivan, aka. Dr. Freckles, aka YORBIS the Amazing, aka Clownadamus ...

This work was created while contacting the jaded hobo spirits of realm 12 ...

Currently, we sojourn here (PlantetaryStatusReport.com) on BlueHost ... but we might be pushed along, as all hobos are, in this wretched sideways world. But thank you for your time.

Of D.F.G.T.C. : Dr. Freckles' Global Tontine Club

... in the time of Boblimptock and Grinken ...

F) SO USE THESE CREATIVE WORKS THAT ARE MINE, BUT DO SO KNOWING THAT THE BEST CONTRACT BETWEEN HUMANS IS MUTUAL RESPECT. THE BEST MONEY EARNED IS THAT WHICH IS EARNED VIA CREATION, NOT THEFT. SO IF YOU MAKE A FEW BUCKS OFF OF MY STUFF? - JUST DONATE, IF YOU MAKE MONEY OFF OF IT AND DONATE WHAT MAKES SENSE, I'M NOT REALLY GREEDY, I JUST WANT MY

STUFF WITH PROPER ATTRIBUTION ... MY CURRENT WEBSITE HAS THE LINK FOR DONATIONS.

Yours,

Daniel John Sullivan, D.F.G.T.C.
